

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR09020RC

This certificate issued to MD Helicopters, Inc.
4555 East McDowell Road
Mesa, AZ 85215-9734

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: H19NM
Make: MD Helicopters Inc. (MDHI)
Model: MD 900

Description of Type Design Change:

Installation of EMS electric, inverter, air pump, and vacuum system in accordance with Heli-Dyne Master Drawing List HD900-00-0003, Revision D, dated June 21, 1995, or later FAA approved revisions.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 22, 1994

Date reissued: October 26, 2010;
May 16, 2011

Date of issuance: July 31, 1995

Date amended:

By direction of the Administrator
