Supplemental Type Certificate

Number SA01202AT

This certificate issued to FFC Manufacturing
4010 Pilot Dr., Suite 103
Memphis, TN 38118

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product -- Type Certificate Number: 3A16

Make: Beech Craft

Model: BE-58; S/N TH-1 through 668

Description of Type Design Change: Installation of left hand side and right hand side leading edge outboard fuel cell assemblies in accordance A/C Fuel Cells Worldwide, Inc., "Installation Instructions", dated August 30, 1994 and A/C Fuel Cells Worldwide, Inc., Drawing B0301, Rev D, dated July 2, 1996, for the left hand side fuel cell; and Drawing B0302, Rev. D, dated July 2, 1996, for the right hand side fuel cell; or later FAA approved revision.

(See continuation 3 or 3)

Limitations and Conditions: This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effects upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 13, 1996

Date reissued: July 31, 2002; April 29, 2009

Date of issuance: November 15, 1996

Date amended: April 08, 1999

By direction of the Administrator
