

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST01302CH-D

This certificate issued to
Safe Flight Instrument Corporation
20 New King Street
White Plains, NY 10604

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. See Type Certificate Data Sheet No. A22CE for complete certification basis.

Original Product--Type Certificate Number: A22CE
Make: Cessna Aircraft Company
Model: 560

Description of Type Design Change:

Installation of a SafeFlight Instrument Corporation N1 Computer/Display (N1 Power Set Reminder) System. Installed per ElectroSonics Drawing ES560-900037-01, Rev. 1, dated November 08, 2000 or later FAA approved revision.

Limitations and Conditions:

- 1) Compatibility of this design change with previously approved modifications must be determined by the installer.
- 2) FAA Approved Flight Manual Supplement, ElectroSonics document number ES560-900037-100, Revision IR, dated November 14, 2000, or later FAA approved version is a required part of this STC.
- 3) If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 06, 2000

Date reissued: December 9, 2008; January 13, 2009

Date of issuance: November 14, 2000

Date amended:

By direction of the Administrator
