

Supplemental Type Certificate

Number ST02257AK

This certificate issued to

F. S. Air Service, Inc.
6500 Carl Brady Drive, Suite 109A
Anchorage, AK 99502

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations

Original Product – Type Certificate Number: A43EU

Make: EADS CASA (Construcciones Aeronauticas, S. A.)

Model: C-212-CC, C-212-CD, C-212-DF

Description of Type Design Change: Modify the aircraft configuration from 23 passenger seats to a combined cargo and passenger configuration. Limit the maximum passenger seating capacity to 19 or less in the combined configuration. Install equipment including: fire containment covers, cargo nets, smoke detectors, fire extinguishers, placards, and emergency equipment, in accordance with Master Drawing List FW-FSA189-90, Revision D, dated January 18, 2012, or later FAA approved revision.

Limitations and Conditions:

- 1) The installer must determine whether this design change is compatible with previously approved modifications.
- 2) If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.
- 3) Aircraft Flight Manual Supplement FW-FSA189-11, Revision A, dated January 12, 2012, or later FAA approved revision is a required part of this installation.
- 4) Instructions for Continued Airworthiness, FW-FSA189-13, Revision A, dated January 12, 2012, or later FAA accepted revision, is a required part of this installation.

Exemption No. 7779A was granted May 16, 2003 – Exemption from 14 CFR Section 25.857(b)(3).

Exemption No. 7779B was granted December 23, 2011 – Add Model C-212-DF to applicability.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 15, 2001

Date of issuance: October 21, 2005

Date reissued:

Date amended: February 28, 2012

By direction of the Administrator
