

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SH7532SW

This certificate issued to Heli-One USA, Inc.
9000 Trinity Blvd
Hurst, Tx 76118,

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 29 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: H4SW
Make: Bell Helicopter Textron, Inc.
Model: 412

Description of Type Design Change:

Installation of an electrically driven freon air conditioning system in accordance with Heli-Dyne Drawing List HD412-00-0083, Revision A, dated December 20, 1988, and HD412-00-0099, dated January 6, 1989, or later FAA approved revisions.

Limitations and Conditions:

FAA Approved Rotorcraft Flight Manual Supplement dated December 28, 1988, or later FAA approved revision is required. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 01, 1988

Date reissued: March 28, 1990, 12/9/2010

Date of issuance: December 28, 1988

Date amended:

By direction of the Administrator
