

United States of America
Department of Transportation—Federal Aviation Administration
Supplemental Type Certificate

Number SA1570NM

This certificate, issued to Delbert Dean Huss Jr.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product—Type Certificate Number: A-799
Make: Cessna
Model: 170 Series

Description of the Type Design Change:

Installation of Jensen Aircraft fuel valve plug No. 011-4 in accordance with Jensen Installation Instructions Form No. 011-4A, dated October 1, 1983, or later FAA approved revision.

Limitations and Conditions:

Limited to Cessna Models 170, 170A, and 170B with Serial Numbers 18000 thru 20285. This approval should not be extended to aircraft of these models on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: March 29, 1982

Date reissued: 2/29/88, 4/14/89, 7/14/97,
January 29, 1999

Date of issuance: October 27, 1983

Date amended:

By direction of the Administrator
