

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST03209CH

This certificate issued to Electronic Cable Specialists, Inc.
5300 W. Franklin Drive
Franklin, WI 53132

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. See Page 3 of 3 for complete certification basis.

Original Product--Type Certificate Number: A16WE
Make: Boeing
Model: 737-600 Series; 737-700 Series; 737-700C Series;
737-800 Series; 737-900 Series; 737-900ER Series

Description of Type Design Change:

Installation of a Class 2 Electronic Flight Bag (EFB) System Provisions in accordance with Electronic Cable Specialists Master Data List ECS-209828, Revision C, dated March 26, 2014 or later FAA approved revision.

Limitations and Conditions:

- 1) Compatibility of this design change with previously approved modifications must be determined by the installer.
- 2) If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
- 3) The Airplane Flight Manual Supplement as listed in Appendix A of Electronic Cable Specialists Master Data List, ECS-209828, Revision C, dated March 26, 2014, or later FAA approved revision, is required on board the modified aircraft.
- 4) The equipment for which these provisions are intended has not been certified. Additional FAA approval is required for the installation of this equipment and must be evaluated to assure satisfactory compliance with applicable airworthiness standards.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 15, 2011

Date reissued:

Date of issuance: March 28, 2014

Date amended:

By direction of the Administrator
