

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST00665WI

This Certificate issued to Flight Inspection Maintenance Division,
DAS11SW, AVN-300
6500 S. Mac Arthur Blvd.
Oklahoma City, OK 73169

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A10CE
Make: Learjet
Model: 60

Description of Type Design Change:

Installation of Scuppers and Dorsal Air Inlet for improved tailcone cooling.
Data Required: (1) Learjet Inc. Master Document List, Drawing Number T100121, Revision C, dated May 21, 1998, and (2) FAA Approved Airplane Flight Manual Supplement W1344, Change 4, dated June 8, 1998, or later FAA Approved Revisions to (1) and (2).

Limitations and Conditions:

Compatibility of this design change with previously approved modifications must be determined by the installer. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 14, 1998

Date reissued: 7/15/98; 3/21/03

Date of issuance: June 08, 1998

Date amended:

By direction of the Administrator
