Number ST10287SC

Date of Issuance: September 29, 2004

Date Amended: November 01, 2005

Reissuance Date: April 9, 2007

Limitations and Conditions (Continued):

Descriptive data pertaining to this design change are considered inadequate for duplication in other products. This approval is limited to only the installation made to Bombardier Canadair CL-600-2B16 Serial Number 5344. This STC does not permit manufacturing of parts for multiple installations. The Certification Basis for this installation is per Type Certificate Data Sheet (A21EA) plus 25.981 Amdt 102.

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.
