

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA2093CE

This Certificate issued to Javelin Conversions, Inc.
8421 Nelms Street
Houston, Texas 77061

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number : 3A10
Make : Cessna
Model : T310P

Description of Type Design Change:

Reinstallation of original Cessna manually operated alternate engine induction air system on airplanes previously modified in accordance with STC SA2242SW. Data Required: 1. Air America Master Drawing List #260000 dated March 22, 1985. 2. Airplane Flight Manual Supplement dated April 15, 1985, or later "FAA Approved" revisions.

Limitations and Conditions:

Limited to those airplanes previously modified in accordance with STC SA2242SW. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : March 25, 1985

Date reissued : August 19, 1991,
June 5, 1996, July 31, 2012

Date of issuance : April 15, 1985

Date amended :

By direction of the Administrator
