Supplemental Type Certificate

(Continuation Sheet)

Number **ST03116NY**

Date of Issuance: July 13, 2012

Limitations and Condition:

1. The installer must determine whether this design change is compatible with previously approved modifications.
2. If the holder agrees to permit another person to use the certificate to alter a product, the holder must give the other person written evidence of that permission.

Certification Basis:

The certification basis for the changed Bombardier CL-600-2B19 series aircraft as described in this certificate is as follows:

- a. The type certification basis for Bombardier CL-600-2B19 series airplanes is shown on TCDS A21EA (Rev.31) for parts not changed or not affected by the change.
- b. The certification basis for parts changed or affected by the change since the reference date of application, April 19, 2012, is as shown on TCDS A21EA (Rev.31).
