

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA02194AK

This Certificate issued to Hageland Aviation Services, Inc.
4700 Old International Airport Road
Anchorage, AK 99502

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A25CE
Make: Beechcraft Corporation
Model: 1900C

Description of Type Design Change: Reduction/Limitation of passenger seats to nine (9) in accordance with Hageland Aviation Services, Inc . Drawing No . 1900C1B, original issue dated March 27, 2002, or later FAA approved revision.

Limitations and Conditions: Compatibility of this design change with other previously approved modifications must be determined by the installer.

FAA approved POH/AFM Supplement (POH/AFMS), Document No. HAS1900C1, original issue dated April 25, 2002, or later FAA approved revision, is a required part of this modification.

If the Certificate holder agrees to permit another person to use this Certificate to alter the product, then the holder shall give that person written evidence of such permission. 14 CFR Part 43 is adequate to ensure continued airworthiness of this modification.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 15, 2002

Date reissued: August 14, 2015

Date of issuance: April 25, 2002

Date amended:

By direction of the Administrator
