This certificate, issued to

**JAMCO America, Inc.
1018 80th Street SW.
Everett, WA 98203**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See Type Certification Data Sheet A20WE for the complete certification basis.)

Original Product—Type Certificate Number: A20WE
Make: Boeing
Model: 747-400 Series

Description of the Type Design Change: Installation of a Purser Work Station, in accordance with JAMCO America, Inc., Master Drawing List IA-055MDL, Revision B, dated January 15, 1999, or later Federal Aviation Administration (FAA) approved revisions.

Limitations and Conditions: The approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of the aircraft. Rockwell Collins Supplemental Type Certificate (STC) ST00720SE, Installation of In-Flight Entertainment equipment, must be installed concurrently with this STC. A copy of this Certificate and JAMCO America, Inc. Master Drawing List IA-055MDL, Revision B, dated January 15, 1999, or later FAA approved revisions must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
