

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number: SA02261AK-D

This Certificate issued to: Aero Twin, Inc.
2403 Merrill Field Drive
Anchorage, Alaska 99501

Certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations. **Complete certification basis is specified in Type Certificate Data Sheet No. A37CE, Revision 12.**

Original Product Type Certificate: A37CE

Make: Cessna

Model: 208, 208B

Description of Type Design Change:

Fabrication and Installation of Aero Twin, Inc. Wing Ice Inspection Handle Kit No. 208-ICE-HNDL for Cessna 208 and 208B aircraft in accordance with Aero Twin, Inc. Master Data List No. 208-ICE-HNDL-MDA, dated: February 21, 2006, or later FAA/DAS approved revision.

Limitations & Conditions:

Compatibility of this design change with previously approved modifications must be determined by the installer. The holder of this certificate will provide each person it permits to use the certificate to alter one or more airplanes with written evidence of that permission in a form acceptable to the Administrator. 14 CFR Part 43 and the Cessna 208 Maintenance Manual are adequate to insure Continued Airworthiness of this modification.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: February 15, 2006

Date reissued:

Date of issuance: February 21, 2006

Date amended:

By direction of the Administrator
