Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA09693AC

This certificate issued to

DeVore Aviation Corporation of America,
A New Mexico Corporation
6104 Jefferson N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: A00010WI
Make: Hawker Beechcraft
Model: 390

Description of Type Design Change:

Replacement of flush-mounted Lower Beacon Light in lower fuselage and installation of an Upper Beacon Light on the vertical tail in accordance with DeVore Top Drawing 39000004, Revision A, dated September 4, 2007, or later FAA approved revision. Lights must be operated in accordance with Hawker Beechcraft 390 FAA Approved Flight Manual P/N 390-590001-0003, Revision C4, dated March 23, 2007, or later FAA approved revision. The existing "BCN" switch activates Lower and Upper Lights simultaneously.

Limitations and Conditions:

(See continuation sheet 3 of 3)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 16, 2007

Date reissued: November 2, 2007;
July 1, 2013

Date of issuance: September 7, 2007

Date amended:

By direction of the Administrator

Supplemental Type Certificate
(Continuation Sheet)

Number SA09693AC

Date of Issuance: September 7, 2007

Reissuance Date: July 1, 2013

Limitations and Conditions (Continued):

The installer must determine whether this design change is compatible with previously approved modifications.

If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

Beacons are not considered to be instrument, taxi, or anti-collision lights. Instructions for Continued Airworthiness (ICA), Devore Aviation Corporation Report DR-690, Initial Release, dated July 26, 2007, or later FAA accepted revision must be made available to the operator at the time of installation.
