

Department of Transportation — Federal Aviation Administration

Supplemental Type Certificate

Number SA972CE

This certificate, issued to R. C. Allen Instruments, Inc.
535 S. Topeka
Wichita, KS 67202

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations, effective May 15, 1956, through Amendment 3-8.

Original Product — Type Certificate Number: A5SW

Make: Swearingen

Model: SA226T, S/N T-201 and up
SA226AT, S/N AT-001 and up

Description of Type Design Change: Installation of AID Battery Temperature Sensing and Over Temperature Warning System. Data Required: AID Installation Instructions Kit #29-305 of March 28, 1972, revised September 20, 1973, and Airplane Flight Manual Supplement AFM AB73 dated October 12, 1973, single battery switch, or Airplane Flight Manual Supplement AFM AA73 dated October 12, 1973, for dual (left and right) battery switches as applicable.

This installation is limited to the above airplanes having Marathon CA9, SAFT 2376 or 2371 Ni-Cd batteries. This approval

Limitations and Conditions: should not be extended to other aircraft of these models on which other previously approved modifications are incorporated, unless it is determined by the installer that the inter-relationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. Except for airplane Serial Numbers T-201, parts manufactured and installed under this STC must be approved and marked in accordance with the requirements of FAR 21.303 and FAR 45.15.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the

Federal Aviation Administration.

Date of application: May 8, 1972

Date reissued: August 1, 1991

Date of issuance: December 10, 1973

Date amended:
