

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST03438AT

This certificate issued to
B/E Aerospace
9100 N. W.
105 Circle
Miami, FL 22178

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product--Type Certificate Number: A3EU
Make: Raytheon
Model: BAe-125 800 Series and Hawker 800 and 850 Series

Description of Type Design Change:

Installation of the B/E Aerospace LED Indirect Wash Lights and/or Reading Lights Assemblies in accordance with B/E Aerospace Master Document List BE-MDL-001-Hk, revision A, dated April 13, 2007, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: October 10, 2006

Date reissued:

Date of issuance: May 1, 2007

Date amended:

By direction of the Administrator
