

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA02400AK

This Certificate issued to

Joel Wattum and/or Barbara O'Hare-Wattum
6314 E. Mountain Goat Circle
Wasilla AK 99654

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number: * * See Approved Model List, SA02400AK
Make: * dated September 17, 2012, or later FAA
Model: * approved revision.

Description of Type Design Change:

Installation of Aerocet 2200 floats in accordance with the applicable Approved Drawing List as indicated on Approved Model List, SA02400AK, dated September 17, 2012, or later FAA approved revision.

Limitations and Conditions:

1. The compatibility of this design change with previously approved modifications must be determined by the installer.
2. If the holder agrees to permit another person to use this Certificate to alter the product, the holder shall give the other person written evidence of that permission.
3. For Instruction for Continued Airworthiness, refer to Instructions for Continued Airworthiness, Document No. FW-JWA517-13, Revision A, dated September 20, 2011, or later FAA accepted revision.
4. An FAA approved Flight Manual Supplement is a required part of this installation. Refer to Approved Model List, SA02400AK, dated September 17, 2012, or later FAA approved revision, for the appropriate document number and revision.
5. For the 172 (basic) model, conventional gear conversion per STC SA553GL, STC SA02376AK, or STC ST00335LA is required.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation

Date of application: September 6, 2011

Date reissued:

Date of issuance: September 17, 2012

Date amended:

Administration.

By direction of the Administrator
