Supplemental Type Certificate
(Continuation Sheet)

Number ST00284BO
Effective Date: December 19, 2011

Limitations and Conditions: (Cont'd)

4. Instructions for Continued Airworthiness (ICA) for the 737-800, Live TV Document Number 738N8001-NCA Revision G, dated 2 September 2011, or later FAA accepted revisions, shall be made available to the operator at the time of installation.
5. Instructions for Continued Airworthiness (ICA) for the 737-900/900ER, Live TV Document Number 739N8001-NCA Revision J, dated 1 September 2010, or later FAA accepted revisions, shall be made available to the operator at the time of installation.
6. Required structural inspections for compliance with FAR 25.571 on the 737-700 are listed in the Airworthiness Limitations section of the Instructions for Continued Airworthiness Document Number 737N8001-NCA Revision B, dated 1 September 2010, or later FAA-approved revisions.
7. Required structural inspections for compliance with FAR 25.571 on the 737-800 are listed in the Airworthiness Limitations section of the Instructions for Continued Airworthiness Document Number 738N8001-NCA Revision G, dated 2 September 2011, or later FAA-approved revisions.
8. Required structural inspections for compliance with FAR 25.571 on the 737-900/900ER are listed in the Airworthiness Limitations section of the Instructions for Continued Airworthiness Document Number 739N8001-NCA Revision J, dated 1 September 2010, or later FAA-approved revisions.
9. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse affect upon the airworthiness of that airplane.
10. The installation of this STC on the 737-700 is contingent upon the installation of Koito First/Tourist class seats in accordance with Supplemental Type Certificate ST09697AC-D. The installation of this STC on the 737-700 may not be done without the installation of Supplemental Type Certificate ST09697AC-D.
11. This STC may be installed on 737-800 aircraft with Koito First/Tourist class seats installed in accordance with Supplemental Type Certificate ST09685AC-D or ST09698AC-D. The installation of this STC on those 737-800 aircraft with Koito First/Tourist class seats may not be done without the installation of Supplemental Type Certificate ST09685AC-D or ST09698AC-D.
12. The installation of this STC on the 737-900 is contingent upon the installation of Koito First/Tourist class seats in accordance with Supplemental Type Certificate ST09696AC-D. The installation of this STC on the 737-900 may not be done without the installation of Supplemental Type Certificate ST09696AC-D.
