Original Product Type Certificate Number : A20WE

Make : Boeing

Model : 747-200 series

Description of Type Design Change: Install miscellaneous galley equipment in accordance with United Air Lines, DAS-1-WE, Approved Drawing List No. 2727 dated April 3, 1987, or later FAA approved revisions.

Limitations and Conditions: The approval of this change in type design applies basically to the 747-200 only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This determination should include consideration of significant changes in weight distribution such as an increase in the fixed disposable weight in the fuselage. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
