

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA404NE

This Certificate issued to Javelin Conversions, Inc.
8421 Nelms Street
Houston, Texas 77061

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3/23 of the Civil Air/Federal Aviation Regulations.

Original Product Type Certificate Number : 3A21
Make : Cessna
Model : P210N

Description of Type Design Change:

Installation of a Garrett Pressurization Control System, in accordance with Air America, Inc. Drawing List No. 270000, dated May 1, 1985, or later FAA approved revision.

Limitations and Conditions :

1. This modification eligible only on Serial Numbers 210N-P21000001 through P21000834. 2. Air America, Inc. Airplane Flight Manual Supplement No. 3, FAA approved November 25, 1985, or later FAA approved revision, is required with this installation. 3. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : May 1, 1985
