

Department of Transportation—Federal Aviation Administration

Supplemental Type Certificate

Number SA01238SE

This certificate, issued to

**Kenmore Air EDO Floats, L.L.C.
6321 NE 175th Street
Kenmore, WA 98028**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A22NM
Make: Sky International, Inc. (Aviat)
Model: A-1B

Description of the Type Design Change: Installation of EDO 689-2130 floats, and a gross weight increase of up to 2200 pounds, in accordance with Kenmore Air Harbor Master Drawing List EFM-113, Revision A , dated March 10, 2003, or later FAA approved revisions.

Limitations and Conditions: The weight and balance report must be amended to include the gross weight increase of up to 2200 pounds as shown in the Airplane Flight Manual Supplement(AFMS). Approval of this change applies to the above model only, and should not be extended to other specific models of these airplanes on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate, and AFMS EFM-115, dated July 17, 2003, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 5, 2002

Date reissued:

Date of issuance: July 17, 2003

Date amended:

By direction of the Administrator
