Supplemental Type Certificate

This certificate has been reissued to replace the original certificate reported as lost.

Number SH513NE

This Certificate issued to

**California Helicopter Parts, Inc.
279 Blackland Road
Fate, Texas 75189**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations and Part 9 of the Federal Aviation Regulations.

Original Product Type Certificate Number: 1H11

Make: Sikorsky

Model: A-58ET

Description of Type Design Change: Replacement of auxiliary fuel boost pumps with Parker Hannifin-Airborne inline auxiliary fuel booster pump in accordance with the data contained in New York Helicopter Installation Drawing List No. NYH-S58T-DL-1, Revision A, dated May 5, 1987.

Limitations and Conditions: (1) Intermixing with Standard Lear Siegler Model RG17020 boost pumps is not permitted. (2) This approval should not be incorporated in any helicopter of this specific model upon which other approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that rotorcraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 20, 1986

Date reissued: September 19, 1988, December 16, 2015

Date of issuance: May 8, 1987

Date amended: March 8, 1989

By direction of the Administrator
