

Supplemental Type Certificate

Number **SR00368SE**

This certificate, issued to

**Eagle Copters USA, Inc.
190 S. Danebo Ave.
Eugene, OR 97402**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: H2SW
Make: Bell
Model: 206, 206A, 206A-1, 206B, 206B-1, and 407

Description of the Type Design Change: Installation of a color video camera on either the left, right, or both horizontal stabilizers in accordance with Geneva Aviation Master Drawing List GA175, Revision B, dated August 19, 1996, or later Federal Aviation Administration approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model rotorcraft only. This approval should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of those other changes in type design will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this certificate and the MDL must be maintained as part of the permanent records for the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
