

Supplemental Type Certificate

Number SA3967NM

This Certificate issued to C&D Zodiac, Inc.
5701 Bolsa Avenue
Huntington Beach, California 92647

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A22WE

Make: McDonnell Douglas Corporation

Model: DC-10-30

Description of Type Design Change: Installation of bi-fold lavatory door in accordance with FAA sealed 4/Flight Custom Products Drawing List Number 12078, Revision "A," dated November 17, 1988, or later FAA sealed revision.

Limitations and Conditions: This installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 20, 1988

Date reissued: August 30, 1996; July 30, 1998;
January 30, 2006

Date of issuance: December 21, 1988

Date amended:

By direction of the Administrator
