Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST02426LA

This Certificate issued to Flight Line Products, LLC.
28732 Witherspoon Parkway
Valencia, CA 91355

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.*

*Certification basis is set forth in Type Certificate Data Sheet A28NM.

Original Product Type Certificate Number: A28NM

Make Airbus

Model A320 Series, A320 Model -232

Description of Type Design Change: Installation of the Astronic Empower in-seat power system provision for Weber tourist class passenger seats in accordance with the FAA Approved Flight Line Products Master Document List ER10006 Revision "K" dated May 2, 2012 or later FAA approved revision.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted aircraft model series only. A copy of this STC must be included in the permanent records of the modified aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

Instructions for Continued Airworthiness (ICA) 25-26-98-JB Revision "D" dated June 19, 2012 and ICA 25-25-15-JB Revision "D" dated June 19, 2012 or later FAA approved revision must be made available to the operator at the time of installation.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 17, 2012

Date reissued: February 21, 2014

Date of issuance: June 20, 2012

Date amended:

By direction of the Administrator
