Number SR01776SE for approved rotorcraft

Model:

models and applicable airworthiness regulations

Description of the Type Design Change: Fabrication, installation, and maintenance of the Isolair Helicopters, Inc., Model 9002 High Cross tubes in accordance with data shown on Approved Model List (AML) Number SR01776SE.

Limitations and Conditions: Approval of this change in type design applies to the make and model helicopters listed on the AML. This approval should not be extended to other rotorcraft of these makes and models on which other modifications are incorporated unless it is determined by the installer that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effects upon the airworthiness of that rotorcraft. A copy of this certificate and the Instructions for Continued Airworthiness as shown in the AML must be maintained as part of the permanent record for the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
