Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA09466AC

This Certificate issued to Texas Transland LLC
1206 Hatton Road
Wichita Falls, TX 76302

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A19SW
Make: Air Tractor
Model: AT-602

Description of Type Design Change:

Installation, on AT-602 airplanes, of a hydraulically operated hopper door and hopper, solid, load leveling, auger system in accordance with Wingman, Inc. Report No. 99-12, Revision A, dated May 20, 1999, or later FAA approved revision.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission. This system must be operated in accordance with Wingman, Inc. "Flight Manual Supplement for Air Tractor AT-602 with Wingman System" dated June 29, 1999, or later FAA approved revision.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 12, 1998

Date reissued: May 16, 2012

Date of issuance: June 29, 1999

Date amended:

By direction of the Administrator
