

Supplemental Type Certificate

Number SA906NW

This Certificate issued to: Li'l Red Aero, Inc
4975 Airport Road
Municipal Airport
Kearney, NE. 68847

*certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part * of the * Regulations.*

Original Product - Type Certificate Number : See attached Approved Model List (AML)

Make : SA906NW for list of approved airplane models and

Model : applicable airworthiness regulations.

Description of Type Design Change: Installation of an additional oil cooler and associated systems in accordance with data as listed on Approved Model List (AML), No. SA906NW, dated March 21, 1980, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model airplane(s) only. This approval should not be extended to airplane(s) of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that airplane. A copy of this Certificate and FAA approved Model List (AML) No. SA906NW must be maintained as part of the permanent records of the modified aircraft. Compatibility of this design change with previously approved modifications must be determined by the installer. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 29, 1980

Date reissued: February 26, 1993; March

Date of issuance : March 21, 1980

31, 1993; April 27, 1995

Date amended April 6, 1999

By direction of the Administrator
