

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST00280WI

This Certificate issued to Flight Inspection Maintenance Division,
DAS11SW, AVN-300
6500 S. Mac Arthur Blvd.
Oklahoma City, OK 73169

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number : A10CE
Make : Learjet
Model : 60

Description of Type Design Change:

Installation of a ground operable auxiliary power unit and air cycle environmental control system. Data required: (1) World Auxiliary Power Company Installation Drawing Number LX2100, Revision N, dated June 26, 1997, (2) Learjet Airplane Flight Manual Supplement No. W1344, Change 1, FAA approved May 19, 1995, or later FAA approved revisions to (1) or (2).

Limitations and Conditions:

This approval should not be extended to airplanes on which other previously approved modifications are incorporated, unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : August 26, 1994

Date reissued : 8/25/97; 3/21/03

Date of issuance : January 31, 1995

Date amended : May 19, 1995

By direction of the Administrator
