 Revision No: NC  
 Model No: Falcon 900EX  
 Page No: 3 of 3

**ST10519SC-D**

**Divan Installation – Four Place – F900EX**

Dassault Falcon Jet Corp.  
 3801 East 10<sup>th</sup> Street  
 Little Rock, Arkansas 72202-3366

**System Description**

The Project Data List Report will list engineering data that defines all alterations specified for the customer completion. These data includes installations of the four-place side-facing divan installed in the aircraft main cabin. Lap belt / shoulder harness restraint systems are installed onto the divan frame for four passenger configuration.

**Certification Basis**

Item	Aircraft Make	Aircraft Model	Type Certificate Number	Certification Basis for Alteration	Certification Data List Configuration	Installation Instructions	Airplane Flight Manual Supplement	Instructions for Continued Airworthiness
1	Dassault Aviation	Falcon 900EX (DX Definition) (EASy Definition)	A46EU	CFR 25	F9EX-01058-501	80A42S2-1		37446, Rev A 37401, Rev B
2	Dassault Aviation	Falcon 900EX (DX Definition) (EASy Definition)	A46EU	CFR 25	F9EX-01058-503	80A42S2-1		37446, Rev A 37401, Rev B
3	Dassault Aviation	Falcon 900EX (DX Definition) (EASy Definition)	A46EU	CFR 25	F9EX-01058-505			37868, Rev B 37377, Rev E
4	Dassault Aviation	Falcon 900EX (DX Definition) (EASy Definition)	A46EU	CFR 25	F9EX-01058-507			37868, Rev B 37377, Rev E

**Limitations and Conditions:**

None
