

Supplemental Type Certificate

Number ST00649LA

This Certificate issued to C&D Zodiac, Inc.
5701 Bolsa Avenue
Huntington Beach, California 92647

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *Certification basis is set forth in Type Certificate Data Sheet A6WE*

Original Product Type Certificate Number : A6WE

Make : McDonnell Douglas

Model : DC-9-82, -83

Description of Type Design Change: Installation of Sidewall Panel Installation in accordance with FAA approved C&D Interiors Drawing List 9381000, Revision "D", dated September 14, 1998, or later FAA approved revisions.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. If the holder après to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: March 4, 1998

Date reissued: April 13, 2006

Date of issuance: September 23, 1998

Date amended:

By direction of the Administrator
