Supplemental Type Certificate

Number SA2715NM-D

This Certificate issued to United Air Lines, Inc.
600 Jefferson Street
Houston, Texas 77002

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A20WE

Make: Boeing

Model: 747SP, 747-100, 747-200B

Description of Type Design Change: Modifies the aircraft to install an emergency escape path lighting system. The installation is in accordance with DAS-1-WE Approved United Air Lines Drawing List No. 2715, dated August 29, 1986, or later FAA approved revisions.

Limitations and Conditions: The approval of this change in type design applies basically to 747 aircraft. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those previously approved modifications will introduce no adverse effect upon the airworthiness of this aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
