Make:

No. SA3683NM for a list of approved aircraft

Model:

models and applicable airworthiness regulations.

Description of the Type Design Change: Installation of exhaust stack fairings in accordance with Raisbeck Engineering Drawing List no. R81-1003, Revision G, dated January 6, 2000, or later FAA approved revision. This modification must be maintained in accordance with Raisbeck Engineering Document No. 85-120, issued January 1990, or later FAA accepted revision.

Limitations and Conditions: Approval of this change in type design applies to the aircraft models above only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effects upon the airworthiness of that aircraft. A copy of this Certificate and Maintenance Manual must be maintained as part of the permanent record of the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
