

Supplemental Type Certificate

Number SA00154DE

This certificate, issued to **Mayo Aviation, Inc.**

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A24CE
Make: Beech
Model: 200, 200C, B200

Description of the Type Design Change:

Installation of medical interior in accordance with Report 200-DL Revision N/C, dated December 1, 1994, or later FAA approved revision.

Limitations and Conditions:

1. FAA Approved Aircraft Flight Manual Supplement, dated April 19, 1995 or later FAA approved revision is required.
2. This approval should not be extended to aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 15, 1994

Date reissued:

Date of issuance: April 19, 1995

Date amended:

By direction of the Administrator
