Supplemental Type Certificate

Number ST00184SE

This certificate, issued to Flight Structures, Inc.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. (See Type Certification Data Sheet A20WE for the complete certification basis).

Original Product—Type Certificate Number: A20WE
Make: Boeing
Model: 747-412

Description of the Type Design Change:

Modification of Galley G2 unit and installation of a Rice Cooker/Warmer in accordance with Flight Structures, Inc. Master Drawing List 93FS278-D01, Revision E, dated March 28, 1995, or later FAA approved revisions.

Limitations and Conditions:

Installation approval is limited to galley part numbers SQW742-1, SQW742-11, SQW742-21. The approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Flight Structures, Inc. Master Drawing List 93FS278-D01, Revision E, must be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
