Number ST00710SE

This certificate, issued to: **Heath Tecna, Inc.
3225 Woburn Street
Bellingham, WA 98226**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A1NM
Make: Boeing
Model: 767-300 series

Description of the Type Design Change: Installation of Interior retrofit kit in accordance with Heath Tecna Drawing List HPD-DL-61, Revision H, dated July 12, 2000, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement for this STC is a zero passenger configuration for Heath Tecna Kit H4000-21 only. For this kit, no occupants and no cargo are permitted in the passenger compartment during flight, and a placard must be displayed accordingly. A copy of this Certificate and Heath Tecna Drawing List HPD-DL-61 must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
