Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SA03139AT

This certificate issued to Rod Rawson
PO Box 1242
Anna Maria, FL 34216

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product--Type Certificate Number : 3A13

Make : Cessna

Model : 182 , A, B, C, D

Description of Type Design Change:

Conversion of Cessna Models 182, 182A, 182B, 182C, and 182D from a Tricycle Landing Gear (nose wheel) to a Conventional Landing Gear (tail wheel) configuration in accordance with Michael Stohler Installation Instructions, Report RS-180, "Tail Wheel Modification Procedure", dated April 2, 2005, or later FAA approved revision.

Limitations and Conditions: Michael Stohler Report RS-182, "Instructions for Continued Airworthiness", dated April 2, 2005, is a required part of this STC. The compatibility of this design change with other previously approved modifications must be determined by the installer. If the holder of this STC agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : April 04, 2005

Date reissued :

Date of issuance : August 18, 2005

Date amended :

By direction of the Administrator
