Supplemental Type Certificate

Number SA09552AC

This Certificate issued to Texas Transland LLC
1206 Hatton Road
Wichita Falls, TX 76302

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A19SW
Make: Air Tractor
Model: AT-602; AT-802; AT-802A

Description of Type Design Change:

Installation of a hydraulic actuator to open and close the hopper door and install an auger in the hopper to ensure even distribution of solids during loading. Installation to be in accordance with Wingman, Inc. Drawing List W802-02, Revision C, dated 11/13/2000 or later FAA approved drawing list. Flight Manual Supplement W802-06, Rev. A, dated 12/18/2000 or later FAA approved revision is required.

Limitations and Conditions: The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 24, 2000

Date reissued: May 16, 2012

Date of issuance: January 17, 2001

Date amended:

By direction of the Administrator
