

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST03868AT

This certificate issued to
United Parcel Service Company
1400 N. Hurstbourne Parkway
Louisville, KY 40223

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product--Type Certificate Number: See attached
Make: FAA Approved Model List (AML)
Model: UPS Engineering Report AER13-2320-0004 for a list of Approved Airplane Models

Description of Type Design Change: Installation of Rockwell Collins Communication Management Unit (CMU) new Core Software P/N 832-9548-012 in accordance with United Parcel Service Approved Model List AER13-2320-0004, Rev. IR, dated 01/25/13, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 27, 2010

Date reissued:

Date of issuance: July 29, 2010

Date amended: April 26, 2013

By direction of the Administrator
