

United States of America
Department of Transportation Federal Aviation Administration
Supplemental Type Certificate
Number ST01021SE

This certificate, issued to: **Heath Tecna Inc.**
3225 Woburn Street
Bellingham, WA 98226

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A28NM
Make: Airbus
Model: A320 Model -211, -214 and A319 Model -114

Description of the Type Design Change: Installation of class divider curtain kit in accordance with Heath Tecna, Inc. Drawing List HPD-DL-79, Revision D, dated March 28, 2003, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated, unless it is determined that the relationship between this change and any of those previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement, along with the required placarding, no smoking/fasten seat belt sign visibility, emergency equipment and oxygen mask accessibility have not been evaluated and are not part of this STC. A copy of this Certificate must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 6, 2001 Date reissued: 3/17/2005
Date of issuance: November 27, 2001 Date amended: 3/22/2002; 4/15/2003

By direction of the Administrator
