

Department of Transportation Federal Aviation Administration

Supplemental Type Certificate

Number SA01380SE

This certificate, issued to **Kenmore Air EDO Floats, L.L.C.**
6321 NE 175th Street
Kenmore, WA 98028

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product—Type Certificate Number: A-815
Make: Bombardier
Model: DHC-3 (Otter)

Description of the Type Design Change: Installation of EDO 324-7490 Amphibious floats.

Manufactured in accordance with Kenmore Air EDO Floats, LLC Drawing 24483/24484, Revision C, dated September 4, 1956, or later FAA approved revision.

Installed in accordance with Kenmore Air EDO Floats, LLC Drawing 23300 Revision CB, dated September 5, 1956 or later FAA approved revision.

Maintained in accordance with Bristol Engineering Report 2632, Service & Maintenance data for EDO model 324 amphibious float as installed on DHC-3 Otter, Revision C, dated July 2, 1963, or later FAA approved revision.

Limitations and Conditions: The weight and balance report must reflect the installation of EDO 324-7490 Amphibious floats, as specified in the Dehavilland (Bombardier) DHC-3 Flight Manual No. PSM 1-3-1. Approval of this change applies to the above model only, and should not be extended to other specific models of these airplanes on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this certificate, dated February 17, 2004, or later FAA approved revision, must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 30, 2004

Date reissued:

Date of issuance: February 17, 2004

Date amended:

By direction of the Administrator
