

Supplemental Type Certificate

Number SA5799NM

This certificate, issued to: Heath Tecna Inc.
3225 Woburn Street
Bellingham, WA 98226

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: A20WE
Make: Boeing
Model: 747SP, 747-200, 747-400 series

Description of the Type Design Change: Installation of modular lavatory retrofit kit, in accordance with Heath Tecna Inc. Drawing List HPD-DL-44, Revision K, dated December 13, 2001, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. Heath Tecna Inc. STC ST00484SE must be installed concurrently with this STC for interior kits H1250-11 and -13. This approval should not be extended to other aircraft of these models on which other previously approved modifications are incorporated, unless it is determined that the relationship between this change and any of those previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. The resulting interior arrangement, along with the required placarding, has not been evaluated and is not part of this STC. A copy of this Certificate must be maintained as part of the permanent records for the modified aircraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
