

Department of Transportation - Federal Aviation Administration

Supplemental Type Certificate

Number SR00914SE

This certificate, issued to

**Dart Aerospace USA, Inc.
190 S. Danebo Ave.
Eugene, OR 97402**

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations.

Original Product—Type Certificate Number: H11N
Make: Eurocopter France
Model: SA.315B

Description of the Type Design Change: Fabrication of DART D315-670-011 Bearpaws in accordance with DART Aerospace Drawing List No. MDL-D315-670, Revision A, dated April 7, 2000, or later Federal Aviation Administration (FAA) approved revision; and installation of this system in accordance with Installation Instructions Document No. IIN-D315-670, Revision C, dated April 4, 2000, or later FAA-approved revision. This modification must be maintained in accordance with DART Aerospace Maintenance Manual, Document No. MMS-D315-670, Revision B, dated April 4, 2000, or later FAA-approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model rotorcraft only. This approval should not be extended to other rotorcraft of this model on which other previously approved modifications are installed unless it is determined by the installer that the relationship between this change and any other previously incorporated approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that rotorcraft. A copy of this certificate and maintenance manual must be maintained as part of the permanent records for the modified rotorcraft.

If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 18, 2000

Date reissued: October 28, 2015

Date of issuance: May 15, 2001

Date amended:

By direction of the Administrator
