

Supplemental Type Certificate

Number ST00496LA

This Certificate issued to C&D Zodiac, Inc.
5701 Bolsa Avenue
Huntington Beach, California 92647

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *Certification basis is set forth in Type Certificate Data Sheet A20WE*

Original Product Type Certificate Number : A20WE

Make : The Boeing Company

Model : 747-100,-200B (for other models see C&D
Interiors Index List Number 926)

Description of Type Design Change: Installation of galley, P/N 9261001-101 in accordance with FAA approved C&D Interiors Drawing List No. 9261000, Revision C, dated November 21, 1997, or installation of galleys, class divider/stowage unit, in accordance with FAA approved C&D Interiors Index List Number 926, Revision NC, dated February 23, 1998, or later FAA approved revisions.

Limitations and Conditions: The approval of this modification applies to the above noted airplane model series only. This approval should not be extended to other specific airplanes of this model series on which other approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 2, 1997

Date reissued: February 3, 2006

Date of issuance: November 25, 1997

Date amended: March 24, 1998

By direction of the Administrator
