

Supplemental Type Certificate

Number ST00148LA

This Certificate issued to C&D Zodiac, Inc.
5701 Bolsa Avenue
Huntington Beach, California

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations. *Certification basis is set forth in Type Certificate Data Sheet A6WE.*

Original Product Type Certificate Number: A6WE

Make: McDonnell Douglas

Model: DC-9-82 Series

Description of Type Design Change: Installation of Master Installation Galley Support Structure, Galleys, Aft Service Door Drop Ceiling, Main Cabin Ceiling, Overhead Stowage Compartment, and PSU Installation in accordance with FAA approved C&D Interiors Index List No. 1295, Revision A, dated February 16, 1996, or later FAA approved revision.

Limitations and Conditions: The approval of this modification applies to the above noted airplane model series only. This approval should not be extended to other specific airplanes of this model series on which other approved modifications are incorporated, unless it is determined that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 25, 1995

Date reissued: January 30, 2006

Date of issuance: March 19, 1996

Date amended:

By direction of the Administrator
