Supplemental Type Certificate

Number SA5979NM

This certificate, issued to Randy Goering
27430 Willard
Bend, Oregon 97701

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations. (See Type Certificate Data Sheet No. A3SW for complete certification basis.)

Original Product — Type Certificate Number: A3SW
Make: Ayres Corporation
Model: S-2R

Description of Type Design Change: Installation of larger capacity hopper in accordance with Goering Aircraft Materials Hopper Installation Report No. GA-93-004 Rev. A of July 26, 1993, or later FAA approved revision.

Limitations and Conditions: Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the relationship between this change and any of those other previously approved modifications, including changes in type design, will introduce no adverse effect upon the airworthiness of that aircraft. A copy of this Certificate and Aircraft Flight Manual Supplement, dated July 29, 1993, or later FAA approved Revision, must be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
