

United States of America  
Department of Transportation — Federal Aviation Administration  
**Supplemental Type Certificate**

*Number* ST02638AT

*This certificate issued to* Parker Hannifin Corp. Parker Aerospace  
14300 Alton Parkway  
Irvine, CA 92618

*certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.*

*Original Product Type Certificate Number:* \* See attached FAA  
*Make:* Approved Model List (AML)  
*Model:* SADI Document Number 25-012104

*Description of Type Design Change:*

Installation of an improved aircraft toilet rinse/fill shut-off valve and associated hardware in accordance with Master Drawing Lists shown in SADI Document No. 25-012104 or later FAA approved drawing revisions.

*Limitations and Conditions:* This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

*Date of application:* May 23, 2002

*Date reissued:* May 23, 2012, July 19, 2012

*Date of issuance:* March 06, 2003

*Date amended:* February 11, 2004

*By direction of the Administrator*
