Supplemental Type Certificate

Number SA1592WE

This certificate issued to RAYJAY Parts LLC
10 Harbor Island Drive
Key Largo, Florida 33037

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulation.

Original Product-Type Certificate Number: 1A8
Make : Helio
Model : H-295 and H-395

Description of Type Design Change: Installation of automatic fuel mixture control in accordance with FAA Sealed Rajay Drawing RJ 5001.

Limitations and Conditions: This approval is eligible only H-295 or H-395 airplanes that have been previously modified to incorporate turbosuperchargers in accordance with STC SA156SO or SA125SO. FAA Approved Rajay Flight Manual Supplement dated February 20, 1968 is required in lieu of that specified on STC SA156SO or SA125SO. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse affect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
