Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA8453SW

This Certificate issued to The Servicer, Inc.
Wiley Post Airport
7301 N.W. 50th St.
Oklahoma City, OK 73132

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number: 6A1
Make: Twin Commander
Model: 500A, 500B, 500U, 500S

Description of Type Design Change:

Replace the o-ring seals in the landing gear lower strut in accordance with Gulfstream Aerospace Technologies, Drawing List GSDL-001, Rev. A, dated August 10, 1992, and installation instructions GSI-001, Rev. A, dated August 10, 1992, or later FAA approved drawing lists and installation instructions.

Limitations and Conditions:

The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: August 20, 1992

Date reissued: 9/14/98; 12/4/06; 2/26/07

Date of issuance: October 13, 1992

Date amended:

By direction of the Administrator
